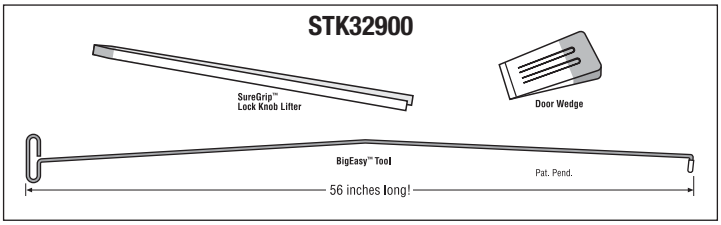
The BigEasy™



STK32900
The BigEasy™ Complete Lockout Tool Kit

- No danger of airbag activation or disconnected door linkages.
- The BigEasy™ tool kit enables you to actuate the door handle, manual lock button, or electric lock button on more than 98% of all cars and trucks.
- With every movement in full view of the technician, unlocking cars is quick and so easy. No extensive training necessary.
- The smooth, plastic wedge insert is safe … no risk of damage to the door or weather stripping.

For sale to registered locksmiths, police and bonafide automotive repair professionals only.

STK32908

Kit Includes:

- BigEasy™ Glo — Actuates the lock button, door handle or electric locks on 98% of all cars and trucks. Fast, easy, with no training. And it glows in the dark!
- Easy Wedge — Controlled opening of the car door for insertion of the BigEasy™.
- Non-Marring Wedge — Use to spread door frame or as starter wedge for Easy Wedge
- Lock Knob Lifter — Lifts traditional and late model Japanese lock knobs at the top of the door.

For sale to registered locksmiths, police and bonafide automotive repair professionals only.

STK21730
Easy Pry
This non-marring wedge has a 1-inch blade with a curved clip end that allows easy access and removal of plastic bezels, moldings, trim and panels without scratching the surface.

- Remove bezels, moldings, trim and panels easily
- Non-marring, won't scratch paint
- Great for removing weather stripping

STK32935
BigEasy™ Carrying Case

- Carry your BigEasy™ kit in style
- Convenient pockets to store all your unlocking tools

STK32924
Paint Protector
Reduces friction between the car door and the BigEasy™ so the powder coating does not rub off. Comes with every BigEasy™ kit.

STK32700
