**Aluminum Gravity Feed Cup**

**SHP6685**  
650cc Capacity (23 oz.)

**SHP6690**  
1 Liter Capacity (34 oz.)

**Aluminum Mini Gravity Cup**  
Includes adapter to fit larger gun models

**SHP7505**  
125cc Capacity (4 oz.)

**SHP7506**  
190cc Capacity (6 oz.)

**SHP6678**  
**Nylon Gravity Feed Cup**  
565cc Capacity (22 oz.)

**SHP6510**  
**Siphon Cup Assembly**

- Attachment thread 3/8" f.p.t. (swivel nut)
- One-quart capacity

**SHP6610**  
**"No-Drip" Siphon Cup Assembly**

- Will not spill in any spraying position
- Eliminates accidental spills and damaged work
- Attachment thread 3/8" f.p.t. (swivel nut)
- One-quart capacity

**SHP6680**  
**Low Pressure Cup Assembly**

- For use with 998 HVLP Pressure Spray Guns
- Clamp type assembly
- Attachment thread 3/8" f.p.t. (swivel nut)
- One-quart capacity

**IWA6033B, IWA8000, IWA8007, IWA8044**  
**Pressure Pot**

The PC18D two quart Pressure Pot is versatile and mobile. This pressure pot may be used with any of our pressure fed spray guns.

- IWA6033B** — PC18D Pressure Pot
- IWA8000** — 6 ft. Air Hose 1/4 x 1/4 ends
- IWA8007** — 6 ft. Fluid Hose 3/8 x 3/8 ends
- IWA8044** — 6 ft. Fluid Hose 1/4 x 3/8 ends

**SHP7003**

**SHP7003**  
**2-Liter Pressure Cup**

- For use with any pressure feed spray gun when more than one-quart of material is desired
- Wide mouth for easy clean-up
- Cup Pressure Regulator allows for fluid pressure adjustments (0-50 psi)
- Shipping Wt. 3 lb. 6 oz.

**IWA6033B**

## Pressure Cups and Tanks

- Heavy-duty, A.S.M.E. Code Pressure Tanks Comply with O.S.H.A. Regulations
- Less mess, easiest two quart pressure cup to use (DEV901372)
- Comfortable to carry
- Easy clean-ups with disposable liners
- Solvent Saver (DEV180037) cleans fluid hoses quickly without wasting solvent

**Pressure Tanks**

### 2.5 Gal. Pressure Tanks

**SHP7025** — Single Regulation

- For use over two quarts
- PTFE lined for easy clean-up
- Tank pressure regulator allows fluid pressure adjustment (0-80 psi)
- Shipping Wt. 20lb. 12oz.

**SHP7026** — Dual Regulation

- Same as SHP7025 except includes an additional air regulator for the painter who prefers regulating his atomizing air at the tank

### 5 Gal. Pressure Tanks

**SHP7027** — Single Regulation

- Same as SHP7025 except larger capacity

**SHP7028** — Dual Regulation

- Same as SHP7026 except larger capacity

### 2.5 Gal Disposable Tank Liners

**SHP7050**

- Pack of 5
- Durable design, rigid for repeat use

**SHP7025**

**SHP7027**

## ACCESSORIES

### ITW192212 Spray Gun Cleaning Kit

Features & Benefits:

- Contains six precision tools designed to effectively clean spray guns
- Spray Gun Lube
- Cleaning Instructions

ITW192212

SHP8260

### SHP8260 Sharpe Spray Gun Brush Kit

The perfect accessory to help keep your spray guns clean. Includes seven (7) brushes and a tube of Spray Gun Lube.

S&G17240

### S&G17240 Set of 3 Cleaning Brushes for Spray Guns

Three brushes for all types of internal and external cleaning jobs. Use to clean paint spray guns with all types of cleaning solvents.

### S&G17280 Spray Gun Cleaning Kit

- Contains all the necessary brushes and tools to effectively clean spray guns including HVLP paint spray guns.

S&G17280

PAID-12-2

- ### PAID-12-2 Spray Gun Filter (2 each carded)
- The "Original" Disposable Compressed Air Spray Gun Filter**
- New and Improved for HVLP Guns
  - Designed to remove the smallest contaminant particle, oil-aerosol or drop of moisture to supply clean, dry, oil free air to your spray gun.

ITW81-82

### Spray Gun Cup Strainers

- ITW81-82—White – Fine mesh
- ITW81-83—Blue – Medium mesh
- ITW81-84—Red – Coarse mesh

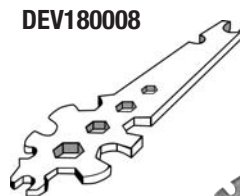

IWA2950

### IWA2950 MK-5 Professional Spray Gun Maintenance Kit

The ideal accessory to ensure your spray gun maintains peak performance. Includes: Aircap cleaning pins and holder, large bottle brush, end brush and holder, five assorted detail bottle brushes down to 3/32", and body brush.

### DEV180008, DEV900431, DEV900712, DEV901924 Gun Wrenches

- DEV180008 — Contains all necessary sizes for most spray equipment
- DEV900431 — For use with 2001 spray gun (not shown)
- DEV900712 — For M1-G, M1-G Clear and Mach 1 HVLP spray guns
- DEV901924 — For use with #7 Gun spray head (not shown)

DEV180008

DEV900712

### DEV181001 Spray Gun Lube

- Contains no silicone or petroleum distillates
- Compatible with all paint materials
- Packages of 12 bottles

DEV181001

### PAIDD-1008 Disposable Desiccant Filter Another Unique Compressed Air Filter from Motor Guard

- The only disposable compressed air filter for spray guns that includes a unique color change indicator to signal time to change out the filter.
- Absorbs oil, condensed moisture, and contaminants as small as 5 microns. Attaches directly to the air inlet of the spray gun.

PAIDD-1008

**DEV180026, DEV180029, DEV192219, DEV900833**  
**Gravity Gun Holders**

Part No.	Description
<b>DEV180026</b>	<b>Paint Strainer Holder</b> (not shown) Attaches to the GH-505 to allow easier pouring and mixing through a paint strainer
<b>DEV180029</b>	<b>Mixing Bench Gun Holder</b> Features a sturdy, no tip design for use on paint mixing benches
<b>DEV192219</b>	<b>Wall Mount Gun Holder</b> Protective coating prevents scratches on gravity cups
<b>DEV900833</b>	<b>Mixing Bench Gun Holder</b>

KC015001 & KC015005

**KC015001** — w/ fasteners  
**KC015005** — magnetic  
**Boothbox Mini™**

The BoothBox Mini™ is a magnetic enclosed cabinet and spray gun holding rack, designed for the Automotive Paint Industry.

- Enclosed compartment for over-spray safe storage, and organization of your various tools and supplies
- Top of cabinet is used as a mixing shelf or paint holding area
- Cabinet dimensions: 14" width, 7.25" height, 6" depth at bottom and 5" depth at top

**KC013001**  
**Boothbox™ — Corner Mount**

BoothBox™ is the Karajen Corp. "original" corner-mounted cabinet designed specifically for auto body and industrial spray booths.

- Corner mounted, for excellent space saving and positioning
- Dimensions: 20" w x 18" h; depth from corner to front is 11.5"; shipping weight is approximately 34 lb.

KC013001

KC071001

**KC071001**  
**Karajen Wall Cabinet™ for Spray Guns**

Store your shop supplies, materials, tools and/or spray equipment with the Karajen Wall Cabinet™. This cabinet offers optional configurations from "supply" cabinet to a "spray gun holding" cabinet. It is ready to order with the standard two flat shelf configuration, or replace one or both flat shelves with the 8-position spray gun shelf.

- Single door; two sets of sand paper holders on inside of door
- Locking flange at door handle
- Two adjustable shelves-positioned at 3" increments
- Converts into a "spray gun holding cabinet" with the 8 position spray gun holding shelves (choices of configurations: two flat shelves or two 8-position spray gun shelves or a combination of each).
- Cabinet dimensions: Width=25", height=25", depth=10"

Note: Padlock and mounting fasteners are not included.

KC071001

### KARAJEN CORP.

**KC023001**  
**BoothShelf CM™**

The BoothShelf CM™ is a corner mounted shelf and spray gun holding rack combination, designed for the Automotive Paint Industry.

- Boothshelf CM™ is vented, to allow air to flow through it and avoids pocketing of over-spray

**KC023001**

**KC024001** — w/ fasteners  
**KC024002** — magnetic  
**BoothShelf WM™**

The BoothShelf WM™ is a magnetic wall shelf and spray gun holding rack combination, designed for the Automotive Paint Industry.

- Dimensions: 8-1/2" depth of bottom shelf; 7" depth of upper spray gun holding flange; 14" width; 10" height.

**KC014024**

**KC014022** — w/ fasteners  
**KC014024** — magnetic  
**Single Spray Gunhanger™**

Store your spray guns conveniently with the magnetic Single Spray Gunhanger™.

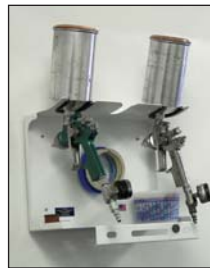

**KC062002**  
**Magahook™**

**Strong, sturdy, multi-purpose magnetic hook!**

Store and organize a variety of items with the Magahook™ products. Use Magahook™ products on metal areas such as toolboxes, school lockers, metal doors, refrigerators, washer/dryers, warehouse racking, metal walls, parts caddies, and much more!

**KC024001 & KC024002**

**KC032001** — w/ fasteners  
**KC032002** — magnetic  
**4 GunHanger™**

The 4 GunHanger™ by Karajen Corp. was designed to hang four spray guns, rolls of tape and other needed painting items. This product is intended for use in spray booths, prep stations and mixing rooms.

- Strongest magnetic gun hanger available!
- Dimensions: Height=18-1/4", width=7-1/2", depth=7-3/4"

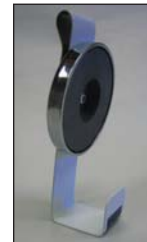

**KC032001 & KC032002**

**KC082002**  
**Tape Belt-Clip™**

Keep tape at your side with the new TAPE BELT-CLIP™. Designed to hold tape rolls up to 1-1/2" size.

**KC082002**

**KC042001 & KC042002**

**KC042001** — w/ fasteners  
**KC042002** — magnetic  
**Hose & GunHanger™**

The Hose & GunHanger™ by Karajen Corp. was designed to hang your air hose, spray guns, rolls of tape and other needed painting items in one location.

- Tapered platform to hang air hose(s) without distortion
- Tape hook to hang tape upright
- Dimensions: Height=18-3/4", width=7-1/2" at top and bottom flanges, depth=8-1/4" at hose hanger (lower flange), depth=7" at gun hanger (upper flange).

**For faster and easier test panel making!**

**KC092002**  
**Test Panel Holder**

- Simplify your test panel process!
- Attach paper or metal test panels, hold and spray!
